For hearing impaired clients only**IMPORTANT INFORMATION FOR WIRE CUSTOMERS**

Effective at the close of business on April 1, 2011, the National City Routing Transit Number (RTN) 072000915 and the PNC RTN 042000398 will be "deactivated" or retired at the Federal Reserve Bank for wire transfer purposes only. All other activity originated or received using these RTNs (e.g., checks or ACH) will continue as normal for a period of time yet to be determined.

After April 1st, paying banks will no longer be able to remit funds using the RTN's listed above via Fedwire. If you have not done so already, it is extremely important to contact all remitters/originators and provide them with the correct wire instructions – including both the correct PNC RTN and your PNC Bank account number -- to ensure funds are credited to your account after this date.

If you've previously used the National City RTN 072000915 or the PNC RTN 042000398, please use the following wire instructions:

Receiving Bank: PNC Bank
PNC Bank RTN: 041000124
Beneficiary: Your Company's name
Beneficiary Account Number: Your Company's account number with PNC Bank

If you need additional information on wire services, please contact the PNC Wire Transfer Operations at 1-800-PNC-WIRE (1-800-762-9473).
